Hon. Mr. Justice Riddell, LL.D.,
Toronto.

Dear Mr. Justice Riddell:

Will you kindly accept this as a formal letter of greeting to be presented by you on behalf of the Senate of the University of Toronto to the authorities of the Northwestern University when you visit Evanston on June 12th?

Will you be kind enough to assure the University that we send these greetings with especial cordiality inasmuch as now they are our Allies in addition to being members of our great academic fraternity? I am confident that the Universities of the United States will respond as those of Canada have done and will be among the first institutions in the country to recognise the seriousness of the crisis that is upon us. It is to us also a great pleasure to know that in the future after the war we who speak the English language and are such close neighbours shall have so many interests in common.

Yours sincerely,

President.
